# Over 1 million salvations in 2022 – so far!

With the Decade of Double Harvest in full swing, CfaN has the joy of collating the salvation reports pouring in every week. To give you an idea of what that looks like, in just the first two weeks of June, there were evangelistic outreaches in Canada, the USA, Germany, Thailand, Burundi, the UK, Puerto Rico, Uganda, Mexico, Kenya and South Africa. And every week of the year looks like this!

All over the world, Bootcamp graduates, CfaN team members and affiliated ministries and churches are putting evangelism training into action. And we're seeing exactly the result the Lord promised – people getting saved - because the Word of the Lord never returns empty. No matter who is doing the preaching, no matter where, Jesus is the One who saves and delivers and heals.

Here are just a few of the reports that we've received in recent weeks from evangelists.

# Reaching the children of **Rwanda**

“God is shaking Rwanda!” certainly captures what is taking place in Rwanda as Evangelist Samuel Hörnle reported on the team of Bootcamp Graduates and Fire camp students preaching the Gospel there.

**In just nine weeks, 1,145 outreaches were organized and 695,699 young people made a decision for Jesus!**

Evangelist  
Samuel Hörnle

“ It is such a privilege to see how an entire generation gets changed through the Holy Spirit. We have so many children following the call of the Father to come home. Thousands of kids are proclaiming and confessing Jesus as Lord. To see this is one of the greatest privileges of our times.”

Evangelist Samuel Hörnle

Evangelist Jimmy Walsh

Evangelist Jessica Kigilyuk

“ It is such a huge honor and privilege to be united with a family of laid-down lovers of Jesus who desire to see the harvest of souls coming into the Kingdom at an accelerated pace. We are better together and can accomplish much more when we link arms. Christ for all Nations Bootcamp has prepared me spiritually, emotionally, and physically (mind and body) to go out on the mission field, ready to take ground!”

## Gospel Campaign in the **Dominican Republic**

### **THE START OF THE VISION**

The Lord called me and my family to the Caribbean during covid in 2020. Having served with a Missionary Society in Vancouver, Canada for 25 years, I moved with my wife and three teenage children to the area. We had a clear Word from the Lord to go, but other than making the move there, God had not shown us what we were to do. The months following were miraculous and a story worth telling on its own. To abbreviate it, God reconnected me in the Cayman Islands to Christ for all Nations, and I moved for several months to Orlando, Florida, to participate in the CfaN Evangelism Bootcamp.

God had shown me a vision of the Caribbean that is not unlike the vision Nehemiah had of Jerusalem. There are old foundations of faith there, but the Lord showed us they are crumbling. I believe it is on the Lord's heart to rebuild these foundations, especially amongst the youth. At Bootcamp, I communicated this vision and to my surprise, several Bootcampers either were from the Caribbean, had ties there, had experiences with Jesus there, or had received a Word from the Lord for the region.

As I was sharing with my fellow Bootcampers, many shared with me the visions they had received. Manuel Reichör and his wife Jana were among those who had received a Word from the Lord that they were to move there part-time. Things became very exciting as the Lord was confirming his Word, and by the time we went to our Bootcamp Initiation trip in Ibadan, Nigeria, we were making plans to hold our own campaign in the Dominican Republic.

We held a breakfast meeting in the capital to garner support from the national leaders of the various denominations and the Lord gave us favor. Soon after, we had an advisory committee formed with the heads of various denominations in the country.

## IMPLEMENTING THE VISION

Manuel Reichör and his family had received a word from the Lord regarding partially moving to Dominican Republic. He moved there and was joined shortly after by his wife and children. **A member of Nations Church connected me with a translator in La Romana by the name of Daniel Rodriguez. He turned out to be a man sent from God, who became Manuel's right-hand man.** Juan Lucas, our only native Spanish speaker, came to help Manuel several weeks prior to the campaign.

During this time, I went through some serious trials. My children were attacked by the enemy, and my father in Germany, who is alone, had a serious fall and broke his hip which required an emergency operation. Two days after the operation, things got worse as he then suffered from a stroke, leaving the left side of his body partially paralyzed. As the only child, I conferred with my Christian brothers, and we agreed they

would handle the campaign preparations, allowing me to fly to Germany to care for my dad. By the time I was able to join them again in the Dominican Republic, they had their tasks well under control. I focused on alleviating their workload as much as possible by taking care of all the radio and TV interviews, the social media campaign, and ministering in various churches. It was all coming together beautifully.

## 5,000 CAME ON THE FIRST NIGHT

What a blessing when you stand on an empty square an hour before the start and all of a sudden, the square fills with thousands of people. There is no way to describe how good it is when you see a vision and a work of faith fulfilled before your very eyes. Approximately 5,000 people attended our first night. Evangelist Manuel preached a clear, gospel message. Juan Lucas prayed for the sick, and a man with a metal plate in his knee testified of his healing. By the third night, the crowd had grown in attendance, and I spoke on the woman caught in the act of adultery, and preached salvation. I had it on my heart to take my time with the altar call as Evangelist and CfaN Bootcamp Director Levi Lutz had taught us in Bootcamp. 120 people gave their lives to Jesus!

### Hacksun & Seya Cha

are co-founders of Amazing Jesus Ministries. Since Hacksun's graduation from the Spring 2021 CfaN Evangelism Bootcamp, they left their lovely home and are continually on the road, going wherever the Lord sends them. They have been sharing the Gospel on the streets of Latin America, Eastern Europe, and Central Africa, leading thousands of souls to Jesus. Currently, they are on the ground in Ngozi, Burundi, preparing for a Gospel Campaign to be held there in August.

## Street preaching in **Mexico**

My wife Seya and I started sharing the Gospel on the streets of Mexico on October 9th, 2021. At first, we were reading out loud the Gospel in Spanish. Even so, many came to Jesus because the hearts of Mexican people were so open to receive Jesus as their Lord and Savior. It was really amazing. At the street market near our home, we shared the Gospel with vendors and buyers alike. Most people, 8 out of 10, received Jesus. On November 3, which was the day of the dead in Mexico, we went to the largest cemetery in town and shared the Gospel with visitors there, tomb by tomb. In one day, one hundred people received Jesus!

On February 17, we shared the Gospel with a young and burly Uber driver in Mexico City, but he said with animosity, "I don't believe in religion." Then he kept talking about why he didn't believe in any religion. So I told him that the Gospel of Jesus is not religion but a personal relationship with God.

The driver then said with resentment, "The Spanish people first came to Mexico and killed anyone who refused to believe in Christianity. That's why I don't believe in Christianity."

## JESUS IS LIFE

I replied, "You are correct. Religion kills. That's why Jewish religious leaders killed Jesus. They believed in religion, but Jesus was not religious. So they killed Him. Jesus is not religion but life. If you believe in Jesus, you have Jesus in you, and because Jesus is life, you will have eternal life."

Then the attitude of the driver began to change. I showed him videos of Jesus healing deaf and sick people in Tanzania, saying, "Jesus is alive and still doing miracles of healing and deliverance. This is the evidence for the resurrection of Jesus. Now, do you want to receive Jesus as your Lord and Savior?"

Amazingly, the driver nodded and prayed the salvation prayer. The Holy Spirit melted his heart for Jesus. I then led him in the prayer for the baptism of the Holy Spirit and told him, "You are an important person. You will do something great for the Lord." He received this word and said with a beaming smile, "My name is Emmanuel, which means 'God among us.'"

In all, by the time we departed for Poland to evangelize Ukrainian refugees on March 3, 2022, we led more than 1,000 souls to Jesus in Mexico.
