REVIVAL TOUR GERMANY

Big Announcement!

— CHRIST FOR ALL NATIONS —

SCHOOL of EVANGELISM

Europe's first CfaN School of Evangelism open NOW

"At this moment, the fulfilment of a prophetic dream is unfolding. And you now have the privilege of being one of the first to experience its fulfilment and perhaps even be an integral part of God's plan. In 2012 Reinhard Bonnke preached about a dream he had received from God. He said that in the dream he was projected about 20 years into the future and could hear a conversation between two voices, talking about what was taking place in Germany at that time. Among other things, they said that the streets in Germany were filled with young people worshipping Jesus. Then the question was asked, "Whatever happened to Reinhard Bonnke?" And the response came back, "He was just the forerunner of a whole new generation of Holy Spirit evangelists." And then he woke up.

That was over 10 years ago. This means that NOW is the time. I sought the Lord in prayer and was unsure at first, but when I saw the hunger in the eyes of each participant on the Revival Tour, I truly knew that God's timing is perfect.

For the first time in CfaN history, we have opened enrolment to the first European CfaN School of Evangelism."

Revival is happening in Germany!

The Revival Tour with Evangelist Levi Lutz was a breakthrough moment for the move of God in Germany. Everywhere we went, the same sense of longing for a move of God was felt. Levi proclaimed the same message in each place, not a sermon so much as a prophetic word he felt the Lord had laid on his heart for this time. He said himself, "This is not a sermon, it's a prophetic word for this generation, for this time." He spoke on picking up mantles that had fallen to the ground, using the story of Elijah and Elisha. This was a strong call to revival, to living lives of holiness and purity and dedication unto the Lord. And each time this message was brought, it had the impact of a sledgehammer. For us as the CfaN team, it is clear that the time for revival in Europe is now!

BERLIN

Christuskirche | 8 February

The night was marked by encounters with God. When Levi had spoken, he sent the team into the congregation to lay hands on people and pray for them. There was a powerful sense of the presence of God, with young and old weeping in repentance and committing themselves to picking up the "mantle" in their own lives.

HAMBURG

Elim Church | 9 February

The venue in Hamburg was packed to overflowing, and people came running forward when Levi extended a call to repentance. But as Lukas Repert shared, it was the prayer for healing that really stood out for him that night. "Evangelist Lutz asked me to pray for the sick, and before I could even finish giving my 'instructions' for what would happen next, people just started crying out, "In Jesus' name, be healed!" In the next few

seconds, something like 20 miracles just broke out across the room! People were laughing out loud, crying with joy. I never even told them to test themselves (to see if they had received their healing), but they were doing that anyway. One young boy came forward who had always had severe scoliosis. He had never touched his feet before, and he did in front of everyone. I can't forget the look on his face, doing that for the very first time."

DUESSELDORF

New Life Church
10 February

When God is moving so powerfully, it's no surprise that the enemy will seek to stop that move. Despite Levi feeling physically attacked that day, struggling to speak, he continued in obedience to the Lord's leading. And the anointing was palpable. When it came time for ministry, everyone left their pews to stream to the front, rededicating themselves to the calling of God on their lives. God's strength is made perfect in our weakness!

HANAU

C3 Church | 11 February

The day in Hanau began with a "family meeting" with over 100 Bootcamp graduates, a precious time of fellowship with evangelists from all over Europe. That evening, in this venue with theatre-type seating, we saw the most wonderful response to the word that Levi brought. Before he had barely finished his message, without giving an altar call, people came running forward, even climbing over seats in their eagerness to answer God's call in their hearts. The presence of the Lord was felt so strongly, and several miracles of healing happened. One

young lady who had been in pain her entire life wept on the stage as she walked and jumped without any pain at all. Another woman who had numbness in her legs for many years had full sensation restored instantly.

You can't have both!"**

FREIBURG

ICF | 12 February

Once again, the venue was full to overflowing, and the response was overwhelming. We had two services at ICF. This revival word from the Lord was received with open hearts. With time running out in the first service, Lukas led a very brief prayer for the sick, and several people received their healing.

SINGEN

ICF | 12 February

In the afternoon, Evangelist Lutz and the team met with pastors for lunch, and heard from them of their deep desire for revival. Hearing the cry of their hearts, Levi told them that the evening meeting would be a bit different. Levi was barely on stage for 15 minutes, when the power of the Lord fell. Everywhere, people began to repent, to pray for one another and simply move with the Holy Spirit. Miracles broke out spontaneously all over the room, and people stayed praying until late at night.

Testimonies

As worship was taking place, suddenly something changed in the atmosphere. An awe came on me. He was there. I have never had an encounter with Jesus like this. I met God like never before and I can humbly say that I know Him a little more now. This was the best night of my life. I don't want to stop there. I'm searching and I'm available to what the Lord wants to do.

S. – Portugal

I can testify that God gifted me with healing that evening. I had had severe pain in my left groin for several weeks and could only walk with a limp. You said some healings only occur after a few days. I held on to that! The next morning I could already see and feel a significant improvement. And after a few days the pain was completely gone and I can move normally and walk freely again.

A. – Germany

I was in Mallorca for 24 days from Munich with my partner and then I read the email with the announcement. At that moment I knew I had to go to Freiburg no matter how. It was the trip of my life. I knew there would be a miracle. I was very short of breath beforehand and found it difficult to climb stairs – my breath and my life are back. I cannot describe how full of energy and confidence I am.

C. – Germany

The Revival Tour was incredibly strong for me! I experienced the Holy Spirit like I haven't in a very long time. I could only cry the whole evening, on the one hand because the Holy Spirit convicted me of my sins, but then touched me so much and triggered a huge hunger in me like I've never known. I have received new faith for a generation that is radically burning for Jesus and I feel that the time has come to go, to take action and to proclaim Him!
